EVENT **BASF Supplier Award Ceremony**
Ludwigshafen, Germany
28 October 2015

HIGHLIGHTS

During the Global Supplier Day, BASF recognized businesses that globally create and provide genuine and long lasting partnership conditions for BASF in the areas of Exceptional Performance, Sustainability and Innovation.

The Exceptional Performance award recognizes WorleyParsons' long-term commitment to developing a high performance culture and outstanding efforts to deliver high value results' for BASF.

In addition, the award acknowledges WorleyParsons for actively seeking opportunities for continuous improvement in a safe and sustainable manner.

"WorleyParsons takes great pride in being one of the key global partners to BASF in the Chemicals industry. We are extremely pleased to receive this prestigious award from BASF which underscores WorleyParsons' dedication to deliver outstanding performance.

Both WorleyParsons and BASF strive for excellence in service and project delivery.

The award once again demonstrates the great commitment and ability of our team to help our customers become more successful."

Chris Gill - Global Director
Chemicals, WorleyParsons
