**Award of EPCM contract at Shondoni Mine Development, South Africa**

WorleyParsons RSA is pleased to announce the award of a contract for the engineering, procurement and construction management services (EPCM) of the Shondoni Mine Development for Sasol Mining Limited located near the Sasol 2 synfuels complex in Secunda, in the province of Mpumalanga, South Africa. WorleyParsons will perform its services under the contract over a period of 45 months. The Shondoni mine will deliver 9.2Mtpa of steaming coal when in full production.

The project will be executed entirely from within South Africa. The EPCM stages for this contract will entail detailed engineering services of the surface infrastructure facilities, the mine development and materials handling as well as procurement services and construction management.

Mr John Grill, WorleyParsons' Chief Executive Officer, commented: "We are pleased to further extend our relationship with Sasol. This contract demonstrates the increased strengths of WorleyParsons in South Africa following the acquisition of KV3 Engineers and the merging of this business with WorleyParsons SA during 2011."
